2 of 2 people found the following review helpful. Evaluation of BookBy PaulaI had seen several animals, etc. made out of bullions in a magazine from Australia. Someone said that this book existed so I checked it out and ordered it. I was very pleased with the items listed and plan to use them on future projects.0 of 0 people found the following review helpful. .By Momma HickHas great pictures and step by step directions.1 of 1 people found the following review helpful. Fun embroideryBy Jerylin SanchezVery informative. Helped alot for me to complete the dedication gown for our new great-granddaughter. And fun making the button billion rose...which I used on her gown.

From clowns and airships to roses and lavender, this extraordinary book features over 120 bullion designs, 146 step-by-step photographs, hints, expert's articles and patterns. It is full of inspirational ideas and practical advice. Beautifully photographed and illustrated, each individual motif is a miniature work of art and will enthrall experienced and novice

needleworkers alike.
