Great book!By CustomerI would like to try all of the projects in the book and it has inspired me to try this technique in my own designs.0 of 0 people found the following review helpful. Five StarsBy CustomerThis is exactly what I wanted. Thanks0 of 0 people found the following review helpful. Excellent book but,By Annie and BartThis is a very good book with good instructions. I just didn't know before ordering that it was hand applique. I wish I did have the time for hand applique, but....So if you are into hand applique then I would recommend this book highly.

Important Note about PRINT ON DEMAND Editions: You are purchasing a print on demand edition of this book. This book is printed individually on uncoated (non-glossy) paper with the best quality printers available. The printing quality of this copy will vary from the original offset printing edition and may look more saturated. The information presented in this version is the same as the latest edition. Any pattern pullouts have been separated and presented as single pages. If the pullout patterns are missing, please contact ct publishing.

About the Author Carol Armstrong is a professional quilter, teacher, and pattern designer known for her beautiful, lifelike applique designs taken from nature. She lives in Shingleton, MI.
