From Express Publications Pty Ltd : Australian Embroidery and Cross Stitch Magazine, Vol. 6 No. 10 before purchasing it in order to gage whether or not it would be worth my time, and all praised Australian Embroidery and Cross Stitch Magazine, Vol. 6 No. 10:

This issue opens with a lesson on Polish eyelet and continues with a magnificent embroidered rose pillow. There is a night time mouse design, a scarlet honeyeater perched on a floral branch, an Australian floral piece, a cross-stitched pansy sampler, a ribbon rose tray and a set of napkins embroidered with herb designs are just some of the inspiring projects here.
