Kathy King : Bead Quilled Jewelry: New Beadwork Designs with Square Stitch before purchasing it in order to gage whether or not it would be worth my time, and all praised Bead Quilled Jewelry: New Beadwork Designs with Square Stitch:

0 of 0 people found the following review helpful. Two StarsBy Wilma Watkins BarnhartI didn't find this very useful. Or friendly. Guess I still need my patterns on paper.0 of 1 people found the following review helpful. Bead Quilled JewelryBy TammyI enjoyed this book, it really teaches you the technic of bead quilling and the ins and outs of different projects.Tammy3 of 3 people found the following review helpful. Not what I expectedBy Jamie WallaceI really wanted a book on quilled jewelery with some beads added. This is NOT it. I am sure if you want something very advanced and a LOT of work you would enjoy this book. Maybe some day when I have more time then I know what to do with I can try these. Lovely designs. The look inside is not very helpful.

Author Kathy King has developed a variation the decorative paper craft of quilling to create unique designs in beadwork. In bead quilling--instead of thin strips of paper--thin strips of beads, made with square stitch, are wrapped

to form circles, scrolls, and squares. The holes of the beads, rather than the sides, are exposed, to become part of the distinctive design. The author works with simple and complex combinations of quilled beads to create a variety of jewelry designs. She also incorporates crystals, pearls, and decorative threads into the pieces to add interest and texture.

About the AuthorKathy King is a bead artist whose work has been featured in Bead Button, Beadwork, Belle Armoire magazines. Her bead-quilled necklace (Red Empress) was a finalist in Bead Button magazine's 2007 Bead Dreams competition. Another quilled piece was featured on the cover of Bead Button magazine in June 2008. Her website is kathykingjewelry.com.
