**Tricia Waddell, Waddell Trica : Best of Stitch: Bags to Sew** before purchasing it in order to gage whether or not it would be worth my time, and all praised Best of Stitch: Bags to Sew:

6 of 6 people found the following review helpful. As others have said, the descriptions of sewing are ...By spillyAs others have said, the descriptions of sewing are a bit vague, but I've sewn enough that I can figure it out. You definitely need some experience here to figure out the construction, but it is doable if you have made bags before, I would probably make three quarters of what is in the book, so it is one to add to the collection. Worth the \$4.00 I paid for it for the templates alone.2 of 2 people found the following review helpful. Very Nice BagsBy DianeDI bought this book for about \$8 just for the bag on the cover, which is awesome. I'm making it now, but the squares will be 4" instead of 5" because I didn't want it 20"x20". I used the acrylic Drunkard's path templates by Marti Michel and it's working out fine. Many of the other bags in the book are also very nice. I wouldn't recommend this book for a beginner because the directions and pictures aren't always detailed for a beginner. I highly recommend this book if you like to sew bags and purses-there is a good variety of styles.5 of 5 people found the following review helpful. DisappointedBy RonniI just can't believe that these were the best bags they ever published.There might be one in the

whole book I might make. In all, this book was a disappointment.

Express your unique style with 20 fun and fabulous bags to stitch! Welcome to a selection of the best bags from the popular *Stitch* magazine, plus 5 brand-new projects, curated by its editors. The book features designs from Malka Dubrawsky, Ayumi Takahashi, Kevin Kosbab, Carol Zentgraf, and many more. Techniques include patchwork, applique, pleating, creating dimension with fabric, and embroidery. Bags of a variety of shapes and sizes were selected, including coin purses, gadget bags, clutches, slouch bags, and messenger bags, so you are sure to find something to make for yourself or give to your friends and family. Inside you will find all of the best bags from *Stitch* magazine in one place, plus 5 brand-new designs- there's something for everyone!
