Better Homes and Gardens : Better Homes and Gardens Perennial Gardening (Better Homes and Gardens Gardening) before purchasing it in order to gage whether or not it would be worth my time, and all praised Better Homes and Gardens Perennial Gardening (Better Homes and Gardens Gardening):

10 of 10 people found the following review helpful. Love this gardening bookBy Familiov ReadersI first found this book in the local library. I loved it so much I decided I wanted to buy it for myself so I could always utilize the great information. It has accurate pictures, correct zones, watering, shade/sun, size, habitat, etc.3 of 3 people found the following review helpful. Plant the Right Flowers in the Right SpotBy MermaidExcellent resource for perennials. I especially needed a good reference for shade-loving plants, and I prefer planting perennials.This book has all the

suggestions/recommendations for my particular garden spot. 4 of 4 people found the following review helpful. Just what I was looking for. By Sara Ingoglia I saw this book in HD but didn't want to spend full price on it. Trusty to the rescue, got a great deal on a book that gives me all the info I'm looking for. 1st time home buyer with a yard in desperate need of TLC. Perennials are for me and this book gives me light vs. shade and layout ideas. Looking forward to this summer.

A comprehensive reference for planning, planting, and caring for the most popular perennials *Perennial Gardening* from Better Homes and Gardens makes it easy to plan and maintain your ideal home garden with a wealth of smart guidance on selecting and caring for your perennials. All of the essentials are covered here, from planning the initial design to choosing the right perennials for your geographical region to maintaining your garden over time. Perfect for gardeners of any and all skill levels, the book is packed with useful checklists, troubleshooting advice for common problems, handy at-a-glance charts, up-to-date coverage on new varieties and trends, and in-depth guidance on basic gardening techniques. Includes a primer on perennials and plenty of inspirational designs, including color combinations and plant pairings. Features more than 700 gorgeous full-color photographs and colorful diagrams. Covers hundreds of varieties of perennials. Whether you're planning your first garden or looking to add perennials to the garden you love, *Perennial Gardening* covers everything you need to know.
