These Afghans knit up quickly due to using two strands of yarn, but many of the patterns look much better than many quick knits. Patterns are interesting and look fabulous. Not all are simple but I've found none that I couldn't master.1 of 1 people found the following review helpful. don't get kindle editionBy Thomas Robertsdon't get the kindle edition. The pattern pictures are not identified with names, thus it is impossible to know which of the patterns belongs to the pictured afghan.0 of 0 people found the following review helpful. Two StarsBy Sharon Wrightnot for me

Snuggle up by the fire with these 24 knit afghans, the perfect shield from winter's chill. Relatively quick and easy, each solid-color wrap offers comforting warmth while adding a welcome spot of color to the gray days of winter.
