**Debbie Minton : Oriental Cross Stitch: 25 Exquisite Designs Inspired by the Far East** before purchasing it in order to gage whether or not it would be worth my time, and all praised Oriental Cross Stitch: 25 Exquisite Designs Inspired by the Far East:

0 of 0 people found the following review helpful. Oriental Cross Stitch: 25 Designs By GoldMonkey The projects in this book are very simplistic with not much details and variation of colors ... some projects almost feel like they need some finishing touches. Great for cross-stitch starters who likes Far East motifs. Experienced cross-stitch artists can surely enhance these basic designs with more creative embellishments to make the designs more alive. The bonsai trees designs are pretty nice. 0 of 0 people found the following review helpful. The book sent to me was very nice, and did appear to have been too used By John G. The book sent to me was very nice, and did appear to have been too used. Some good patterns, both easy and more advanced taking more time to complete. A nice book. 0 of 0 people found the

following review helpful. there are some good designs thoughBy Orcinus81Not quite what I was expecting, there are some good designs though.

The author shares her love of Oriental designs, styles and traditional dress in this range of designs from delicate bird and butterfly motifs to flamboyant dragon and koi pictures, miniature kimonos to floral fans. Techniques, materials needed and advice on completion are comprehensive.
