**Patty Prann Young : Patternless Sewing Mod Style: Just Measure, Cut Sew for the Perfect Fit! - 24 Garments for Women and Girls** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Patternless Sewing Mod Style: Just Measure, Cut Sew for the Perfect Fit! - 24 Garments for Women and Girls:

0 of 0 people found the following review helpful. Perfecttttt! By Pat H Just perfect for my granddaughter. 2 of 2 people found the following review helpful. Do not waste your money... By I. Ptrs I know how to make my own patterns, but it takes a lot of time. So, I bought this book with hopes that I can learn about a new technique. Big mistake... This book is for people who have never seen a yard of fabric in their lives - I'm not even saying it's for beginners, it's probably for little girls who want to make dresses for their dollies. The garment styles they include do not even look nice - don't let

the cover fool you. If you know a thing or two about working with a pattern, please do not waste your money on this book. I wanted to return it; however, 5 bucks I will get in return after I pay for shipping will not even be worth the gas I spend to go to the post office. 6 of 7 people found the following review helpful. Excellent resource and ideas for beginner and experienced seamstresses. By Eleri I've read the book and sewn one project. I think it is a very clear sewing book perfect for beginners and experienced seamstresses. I've enjoyed reading through the book and planning projects. So far I've made one project (the Asymmetrical Ruffle Skirt pictured below) and am very happy with the results. It was quick to get my pattern pieces ready and quick to piece. I like that the book includes tips for sewing by measurement for women as well as girls since you need to take different things into account.

Sew a complete wardrobe without the hassle of pricey paper patterns! Learn to properly measure, cut, and sew for a fabulous fit every time. From a maxi skirt to a Shirred blouse and even a raincoat, these projects are ideal for beginning sewists and women and girls of all sizes. Customize looks with a variety of pockets, belts, and hem bands. This entire collection costs less than a few tissue-paper patterns!

If you're looking to create outfits to fit, without the hassle of paper patterns, this could be one for you. Learn to sew 24 garments without a pattern, and add personalisations such as pockets, belts and hem bands. Diagrams and clear instructions make each piece clear and easy to create. (Make It Today, Issue 16) Create your own custom-fit wardrobe no pattern needed! Just measure, cut and sew for a fabulous fit every time.
