Minimal cost of investment into learning gardening and land preservation ...By Adeline MarieMinimal cost of investment into learning gardening and land preservation without chemicals .giving to my children to continue the tradition. Purchase this book!!!0 of 0 people found the following review helpful. They loved it tooBy Lora Hale-VanceI purchased this years ago and loaned it out to someone. They loved it too; I never got it back. I ordered a second copy and this one I will hold on to.0 of 0 people found the following review helpful. Good bookBy ShelleeVery funny and informational.

Off with their heads!Many homemakers and gardeners take the easy way out when it comes to exiling odors and banishing bugs--they use toxic chemicals that may be harmful to their families and the earth. Ellen Sandbeck has discovered that the all-natural alternatives are just as easy and effective to use, and that they are wickedly fun. Sandbeck's way of banishing thistles from her backyard kingdom is a case in point: she chops off their heads and lets them bleed to death. Slug Bread Beheaded Thistles reveals all of her best tricks. From bedroom to bathroom, garden to lawn, your home will be clean and green and pest-free.Explode cockroaches with baking soda and sugarFreshen your car with coffee groundsKeep out slugs with a bread dough that killsArmor your plants with soap sprayGrow disease-resistant plants by putting sick ones in your compost pileEradicate crayon marks with mayonnaiseProtect your roses with a minefield of garlicGet rid of raccoons with dirty laundryCure plant viruses with spoiled milk
