Troy Marden : Southern Gardener's Handbook: Your Complete Guide: Select, Plan, Plant, Maintain, Problem-Solve - Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, Tennessee before purchasing it in order to gage whether or not it would be worth my time, and all praised Southern Gardener's Handbook: Your Complete Guide: Select, Plan, Plant, Maintain, Problem-Solve - Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, Tennessee:

6 of 6 people found the following review helpful. My go to one-stop reference for southern gardening.By BookwormA practical and achievable guide to gardening in the southern hardiness zones. It will help you know what to plant and

what not to plant (See Marden's previous book, *Plant This Instead*). He bases his advice on many years of trial and error and answers all of those questions about watering, pruning, feeding, pest control and problem solving. Helpful for new and veteran gardeners. 0 of 0 people found the following review helpful. Four Stars By Customer Useful 1 of 1 people found the following review helpful. ... Arkansas from Colorado and the book has been a great help. Have all next winter to read cover ... By Mike Hacker Just moved to Arkansas from Colorado and the book has been a great help. Have all next winter to read cover to cover, but has already provided great reference.

The complete guide to select, plan, plant, maintain, and problem-solve for gardeners living in the South. Every season in the South presents a gardening opportunity. Take advantage of all of them by choosing the perfect plants! Using the right plants makes gardening not only easier, but more fun, and helps you grow the best-looking and healthiest garden possible. The *Southern Gardener's Handbook* helps experienced and expert-level gardeners pick the ideal plants to get the most pleasure from their gardens. Detailed plant profiles help you get the best bang for your buck (and work) in the garden. Helpful advice about caring for the unique needs of southern gardens, along with complete information about USDA Hardiness zones make this a resource you will not want to go without. Annuals, biennials, perennials, tropicals, bulbs, ornamental grasses, trees, shrubs, ground covers, vines, lawns and vegetables are all covered in depth by gardening expert and writer Troy B. Marden. Nearly 300 at-a-glance full-color photos and plant profiles allow you to plan, create and enjoy the very best results from your garden.
