Good use of plants that will live in the hot, humid South. Good reference book, great addition to my library!1 of 1 people found the following review helpful. Landscape BookBy Karen HarperAs always Southern Living has put together a great book to get ideas from and also to just look through. One of thebest landscaping books I have seen. Friend had it for long time and loaned to me and even though 2000 had to haveit also. Pictures and are beautiful.0 of 0 people found the following review helpful. Five StarsBy CarolAnn GriffinGreat
