**Christina Symons, John Gillespie : Sow Simple: 100+ Green and Easy Projects to Make Your Garden Awesome** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sow Simple: 100+ Green and Easy Projects to Make Your Garden Awesome:

Plants thrive thanks to back-sparing and thrifty techniques for propagation, fertilization and transplanting, plus tips on beneficial fungi and bugs, magical mulches, edible weeds, water-wise wildflowers and native plants. Design-wise, make a spectacular entrance with a living gate, or see how easy it is to create a vertical or rooftop garden, a whimsical water garden or a stone courtyard. Home-crafted concrete troughs stuffed with succulents stand strong alongside dry-stack stone walls, and simple ideas for playhouses, gazebos and backyard benches will keep readers busy through all

seasons. *Sow Simple* invites all gardeners, whether they have a large acreage or a tiny urban oasis, to have fun, experiment and see how wonderful it can be to spend time in the garden.
