Refight the Battle of Chickamauga with these thirteen scenarios designed for the miniature wargamer in mind. From the opening volleys at Jays Mill to the final shots at dusk on Horseshoe Ridge, try your hand at fighting history. Or changing it! These scenarios are designed to be used with almost any American Civil War regimental level set of miniature wargame rules. Rules are included for figures based on 20, 30, 40, 50, and 100 historic men per figure/stand.

Times are given for 10, 15, and 20 minutes per game turn. Maps are in full color, as are the numerous color photographs of the modern battlefield. Also included is a full and complete Order of Battle for each side.
