Love this bookBy Sherry SvobodaI am a big fan of Bed and Breakfast and this is a beautifully photographed book and I enjoyed it immensely.0 of 0 people found the following review helpful. Lovely book; nice pictures, plenty of details.By C Lynn PBeautiful book. Great coffee table book to pick up and browse any time. I will leave it out all year. The pictures are lovely. The Inns make me want to go on vacation.2 of 2 people found the following review helpful. wonderful bookBy A. DooleyI really loved the details the author goes over in the quest to find hidden treasures in little inns. This is a lovely read and i re-read it all the time! An absolute MUST for inncrawlers.

A leading authority on country inns profiles 27 country inns from Maine to California and presents hundreds of creative inn ideas. Contains instructions with templates, patterns, stencils to duplicate, garden plots to replicate, a room-planning guide with miniature furniture, and 25 recipes. Over 300 full-color photos.
