They have already made at least 5 items from the patterns. It is easy to follow for newer knitters or for young ones who just don't have the patience to knit a huge project yet. Even the sweaters in here are not overwhelming. 0 of 0 people found the following review helpful. The Yarn Girls'

Guide to Knits for Older Kids By Nonijane I was told about this book at a sheep and wool festival in Maryland and could not find it anywhere. It is very difficult to find a knitting book for children between 4 and 14 that are not too babyish or too adult. This is the perfect book. I have two grandchildren, both girls. The oldest is 9 and very choosy about what she likes and the other is not 2 yet. I have had a hard time finding something the 9 year old would like but when she looked through this book she found several. Of course the 2 year couldn't care at this time but it will not be long. There is only one problem....I can't knit fast enough. 0 of 0 people found the following review helpful. Finally Something for the Child No Longer a Preschooler By Lady Pamela This is the ONLY book I have found with patterns for a child who is school-aged. So many options for babies, toddlers and pre-schoolers. But nothing for the older child who can't yet fit in a pattern for a small adult if it was appropriate for a child. Great variety of basic designs that can be dressed up or down depending on type of yarn used. Love that each pattern is shown made up for both a girl and a boy. I bought a 2nd book and left with the grandchildren in another state so they can tell me what they want.

The Yarn Girls offer a fresh new collection of thirty dazzling junior knitwear designs for kids ages four through ten. Whether you're a novice looking for approachable patterns or an expert seeking a new challenge, The Yarn Girls Guide to Knits for Older Kids is perfect for knitters who want good-looking designs that knit up fast. A helpful how-to guide kicks off the book, walking new knitters through the basics and serving as a handy reference for lapsed knitters. Nine captivating chapters follow, offering designs ranging from casual to stylish to funky. From the Half-Hour Hat to the Camping Out basic pullover to the Glamorous Life swing coat, there are patterns that will delight even the most fashion-savvy kid no matter what his or her style. Plus, twenty-six of the thirty patterns are conveniently unisex, and to illustrate this, each design is photographed on both a boy and a girl. Throughout the book, the Yarn Girls describe the inspiration behind their patterns, providing their own personal anecdotes and adding helpful knitting tips along the way. With a wealth of brand-new quick-to-knit patterns and the much-loved Yarn Girls sensibility, The Yarn Girls Guide to Knits for Older Kids is an exciting new addition to their treasured collection. The yarn girls are back with a spectacular collection of thirty quick-to-knit patterns for stylish girls and boys ages four through ten. Inside, you'll find patterns for: Fuss-free pullovers Classic cardigans Fun hooded sweatshirt (or as the cool kids say, a hoodie) Marvelous swing coat with fuzzy trim
