By Diane If you have a Thomas the Tank engine fan this is the perfect way to make a little something special for them. Since its cross stitch you can use waste canvas and do designs on anything from sweat shirts to pillows. 1 of 1 people found the following review helpful. Terrible cross stitch graphs By maureen brestensky It would have been very difficult to cross stitch these patterns because of the way the graphs were set up. This book already went as a donation to Goodwill. 0 of 0 people found the following review helpful. Excellent By Teresa L Stockman This is an excellent cross stitch book. Thomas the Tank Engine and Friends charts are very hard to find. I love this book and plan to make many items for my little nephew.

A collection of 20 exciting designs in cross stitch, published to commemorate the 50th anniversary of Thomas the

Tank Engine. Favorite characters scenes from the much-loved Railway Series are reproduced in an array of embroidered items, including clothes for children, gifts, soft furnishings, including a cushion, toy bag, lampshade, curtain borders tie-backs. Includes clear instructions details all the necessary materials, techniques pattern templates. Some projects just require you to follow the cross stitch chart, while more experienced stitchers can turn the designs into attractive clothes accessories. Each design is accompanied by extracts illustrations from the original engine story which inspired it. Color photos.
